Time Capsule	Story Soundtrack	Story Quilt
<p>What if the Tucks created a time capsule to commemorate the events that took place in Treegap? What would they put in it? Think of the 10 most important events in the story. Find an object to symbolize each event. Create a time capsule, and include a description page that gives details about the object and why it was chosen to be in the time capsule.</p>	<p>Movie writers use music to help create the mood in certain scenes. Choose 5 important scenes from the story that help move the action forward. Find a song that helps set the mood for that scene. Look at lyrics and rhythm when choosing your music. Create a CD, and include a CD cover with an illustration, as well as background information on the scene and song choice. <i>You may not use songs on the actual movie soundtrack!</i></p>	<p>When Winnie grew up, she sewed a quilt so that she would always remember the events that took place in Treegap. On her quilt, she included scenes from the most important events from that summer. Create your own Treegap quilt. Include at least 9 scenes from the story. You can make your quilt from construction paper or fabric. On a separate sheet of paper, describe each scene, including why it was important to the plot of the story.</p>
